

FINE AUSTRALIAN WINES

FOUNDSTONE

UNOAKED CHARDONNAY 2023

Winemaking The Foundstone Chardonnay was harvested at optimum ripeness from specially selected parcels in the early hours of the morning, retaining the fresh, crisp and fruit driven style it's renowned for. Once at the winery, the fruit is crushed, destemmed and chilled to our bag press where gentle press cycles extract the juice. The free run juice portion is clarified and fermented in stainless steel tanks at a low temperature, with an aroma enhancing yeast that promote. After completion of ferment, the wine was left on yeast lees to retain freshness and enhance palate weight, ahead of blending, filtration, and bottling.

Tasting note Pale straw in appearance with vibrant aromas of peach, citrus zest and nutmeg that lead to seductive palate of mango and mandarin with a lovely acid line and lingering finish.

Region Riverina, New South Wales.

Wine Analysis Alcohol: 13.0% pH: 3.38
TA: 6.35g/l RS: 2.6 g/l

Style Deliciously aromatic, medium bodied, crisp and dry.

Food Match Delightful as an aperitif, that also pairs wonderfully with grilled chicken or a seasonal vegetable stack.

Cellaring This wine has been lovingly made to enjoy now but will benefit from careful short-term cellaring.
